# MEDICAL SUPPLIES CATALOGUE

See It, Believe It

**THUSANANG**  
Health Restoration

Thusanang Health Restoration offers door-to-door delivery of medical consumables to persons with disabilities; these consumables are classified as Incontinence Products, Wound Care Products, Urine Products, Hygiene Products and Bowel Products.

Working closely with Associate Case Managers enables us to determine and agree on each individual's specific requirements and then provide a 3 month supply of medical consumables. We also have close relations with numerous manufactures and suppliers of equipment, devices, medical and surgical consumables. Thusanang now accepts all medical aids.
